United Way's **YOUNG LEADERS IN PHILANTHROPY** invites your business or organization to participate in an exciting volunteer opportunity: **Day of Action 2009**. On June 27, join volunteers across the tri-county who are mobilizing to advance the common good in our communities.

Become a Day of Action volunteer and help change lives for good in our communities. From building a house to painting a school to organizing a clothes closet, there are lots of opportunities for you to lend a little elbow grease for a good cause! Indicate below the area in which your team would prefer to serve. Project descriptions and other information will be sent to you with your confirmation.

We'll work a while, and then all the volunteers will come together to celebrate at a **Volunteer Rally at Hal & Mal's** in downtown Jackson. Please come and let us thank you for your hard work with food & drink, live music by **JamHaus**, and an address by MS Supreme Court Justice **James Graves**.
